Commissioner:

The November 2, 2005 official Office action rejects claims 1-6 as being fully anticipated by Ono '523. However, the numeral '523 does not identify any reference which has been cited to date, either by the applicant or by the Examiner. Accordingly, it is requested that a new Office action be issued properly identifying the Ono reference and resetting the date for response starting with the mailing of the corrected Office action.

Respectfully submitted,
